

Keeping Ourselves and Others Safe

We already have your name, address, DOB, phone, and email details on record; for Track and Trace purposes we hold and may share this data up to 21 days after your visit.

Please respond to the statements below, sign and return this to the in-tray in the hall.

Statements	Yes	No
I confirm that neither I nor anyone in my household or social bubble has been unwell with COVID-19 symptoms in the last 10 days.		
During my stay, I agree to comply with the mitigations in place at Othona West Dorset (OWD) to ensure, as far as possible, the health and safety of myself, other visitors, volunteers, and the Core staff.		
I agree to wear a face mask/covering in communal areas e.g. corridors, sitting room, quiet room, chapel and dining room, the latter until I am seated at my designated seat. I also agree to use only the seat designated for me in the sitting room or quiet room and in chapel.		
I am aware that where 2m social distancing cannot be guaranteed, OWD are providing 1m+ other mitigations (e.g. perspex screens at dining tables, good ventilation, removable throws on soft furnishings and the wearing of face masks/coverings).		
I understand that I must adhere to social distancing practices, good hand, and respiratory hygiene throughout my stay.		
I agree to clean 'touch points' used in toilets and bathroom/showers and ensure I leave the facilities clean for the next user.		
I agree to inform OWD immediately should I develop COVID-19 symptoms while here or in the 10 days following my visit and/or I am confirmed positive with C-19 during the 10-day period after my stay.
