

Ways to support Othona Gold

The Appeal for 50 more years of Othona West Dorset

Remember Othona in your Will

The single most vital source of support for small charities like ours is when people make a gift in their will. Without legacies that were made to us in the past – small and large – Othona probably wouldn't be here today. Please think of us when you make or review your will.

Of course, many of us have to be financially cautious as we grow older, but we can plan to be generous when our life ends. Our special leaflet **Where There's A Will** is meant for anybody contemplating a legacy to Othona. (Find a digital copy via the Othona Gold page on our website.)

Make a One-Off Donation

Maybe you're feeling particularly appreciative of Othona. Maybe you'd like to make a gift as a tribute to somebody else who's benefited from what we offer. We've known one-off donations of £2 to £200... and once a spontaneous £20,000!

It's easy to donate online via our website: www.othonawestdorset.org.uk/make-donation
Or you could make a bank transfer. Our bank account details are in the next section. Or send a cheque payable to "The Othona Community" to the address at the foot of the page.

Give Regularly

We're so grateful to the band of friends who already choose to support us by regular giving. A standing order from your bank is the hassle-free way. Just £30 a quarter, for instance, boosted by Gift Aid (if you're a UK taxpayer) means £150 a year for Othona.

To set up a standing order you'll need our bank account details:

Account Name: The Othona Community

Sort Code: 20-26-62 Account Number: 20680303

Reference: please mark your donation(s) "Othona Gold" so that we can identify it.

It helps if you email or write to us if you're setting up a standing order, so that we can recognise your gift and thank you. Contact details are at the foot of the page.

Do Something Practical

If your own cash is in short supply, perhaps you could raise some funds on our behalf. People have chosen to support Othona in all sorts of active ways – from charity bike rides to making and selling cakes, to getting sponsorship to sit at the top of a tree all day long (okay, yes, mind the health and safety!)

Keep Us Busy

Finally, do book up and visit us. Bring your friends. Spread the news!

Write to: Othona Gold, Othona West Dorset, Coast Road, Bridport DT6 4RN

Email: othonagold@othona-bb.org.uk

Othona offers me an option to become part of a vibrant community in idyllic surroundings. I feel included, valued, supported and able to be myself. It is a very special place. (DM Hants)
